1.2 ESTABLISHMENT OF CENTRE FOR DISTANCE & ONLINE EDUCATION

Distance education system fulfils the needs of all those who could not pursue a normal formal college education system (or) who could not able to complete their studies due to financial problems/others (or) to those who would like to improve their knowledge.

In order to enrich the hiCDOEn treasure of Sanskrit and to protect the importance and usefulness of Sanskrit language and Literature, the **Centre for Distance & Online Education (Erstwhile Directorate of Distance Education)** was established in the year 2003 with the financial support from *Distance Education council (DEC)/ Distance Education Bureau (DEB) / University Grants Commission (UGC)* for preparation of course materials and for students support ever since it has been actually functioning under the aegis of *DEC / DEB / UGC*.

स्वापत्यानि यथा मत्स्यः वीक्षणेनैव पोषयेत् ।

(Kularnava Tantra, 14.36)

The Teacher in Distance Education is like the fish who directs guides and teaches the students through self learning material. What the student requires is the will to learn and perseverance like that of Ekalavya who in spite of the absence of immediate presence of his guru Drona could master the skill of archery.
