## 2. ABOUT NATIONAL SANSKRIT UNIVERSITY, TIRUPATI

### 2.1. About the University

National Sanskrit University, a Central University established by an Act of Parliament, is a premier institution in the field of higher learning in Sanskrit studies, Traditional Sastras and Sanskrit Teacher Education. It is funded by the Ministry of Education through UGC. The University has a long history in the service of Sanskrit education.

The institution was established at Tirupati (A.P.) in 1961 by the Govt. of India on the recommendations of the Sanskrit Commission (1957) as an autonomous body under the name of Kendriya Sanskrit Vidyapeetha, Tirupati Society. Dr. S. Radhakrishnan, the then Vice President of India laid the foundation stone of the Vidyapeetha on 4th January 1962. The basic objective of setting up the Vidyapeetha was to impart and improve Sanskrit Teacher Education, to accelerate the pace of higher Sanskrit learning and to combine the traditional Sanskrit education with modern scientific research. Later, Kendriya Sanskrit Vidyapeetha, Tirupati came under the administrative control of Rashtriya Sanskrit Sansthan, an autonomous body under the Ministry of Education in April 1971.

In the year 1987, the Vidyapeetha was declared as a Deemed to be University by the Government of India, considering its service to the cause of Sanskrit Education, its achievements in research and publications and the general progress it had made in the past 25 years. It was formally inaugurated by the then President of India Sri R. Venkataraman on 26th of August 1989.

Considering its achievements and potential for research in Traditional Sastras, the University was given the status of Center of Excellence in Traditional Sastras during the X, XI and XII Plans. Keeping in view, achievements of the Vidyapeetha in the field of Sanskrit and Traditional Sastras, the Vidyapeetha is elevated

as National Sanskrit University by the Govt. of India under Parliamentary act in the month of March, 2020 and the university is now functioning as National Sanskrit University from 30th April, 2020.

### 2.2. Center of Excellence in Traditional Shastras:

The University achieved the rare honor of being recognized as a Center of Excellence in Traditional Shastras by the UGC basing on its achievements, academic excellence earned in the field of teaching and research in Traditional Shastras and its potential for future development during IX plan. The same has been extended during the X, XI and XII Plan periods also.

### 2.3. Location

The University with a sprawling campus of 42 acres is located at the foot of the Tirumala Hills, the abode of Lord Sri Venkateswara (Balaji) near Alipiri. The University campus is adjacent to SVIMS (Sri Venkateswara Institute of Medical Sciences) and is at a distance of 4 K.M from the Railway Station and APSRTC Bus station. It can be approached through either the Reservoir Road or Balaji Colony. ■

### 3. CENTER FOR DISTANCE & ONLINE EDUCATION

Education is a continuous process and is not restricted to a particular age. The system of Distance Education has emerged as an alternative to accommodate the growing needs of education in the present modern world.

Distance Education system fulfils the needs of all those who could not pursue a formal college education system (or) who could not be able to complete their studies due to financial problems/ others (or) to those who would like to improve their knowledge.

In order to enrich the hidden treasure of Sanskrit and to protect the importance and usefulness of Sanskrit language and Literature, the Center for Distance and Online Education (erstwhile DDE) was established in the year 2003 with the financial support from Distance Education Council (DEC)/ Distance Education Bureau (DEB) / University Grants Commission (UGC) for preparation of course material and for students support ever since it has been actually functioning under the aegis of UGC-DEB.

#### 3.1. Motto of CDOE:

Tradition says- it directs, guides and teaches its offspring from a 'distance' through sight without its immediate presence.

स्वापत्यानि यथा मत्स्यः वीक्षणेनैव पोषयेत् ।  
दृदीक्षाख्योपदेशस्तु तादृशः कथितः प्रिये ॥ इति ॥  
कु.तन्त्र. 14.36

The Teacher in Distance Education is like the tortoise that directs/guides and teaches the students through self-learning material. What the student requires is the will to learn and perseverance like that of Ekalavya who inspite of the absence of immediate presence of his guru Dronacharya could master the skill of archery.

#### 3.2. Objectives of the CDOE:

Main objectives of CDOE are to -

- Facilitate the people to continue the higher education in Sanskrit who could not be able to study in regular colleges due to various reasons.
- Facilitate the people with Sanskrit education with minimum expenditure with High Quality; and
- Facilitate the people to bring out their potential with respect to Sanskrit Language and Literature to accommodate themselves to meet the challenges in the modern world.

With the above objectives, the University introduced the Center for Distance & Online Education (erstwhile Directorate of Distance Education) in the year 2003 to spread the Sanskrit language and literature beyond its campus and successfully marching towards the completion of the Second Decade.

#### 3.3. Recognition:

All the UG / PG / PGDY programmes offered by the Center for Distance & Online Education are approved by the UGC-DEB vide Letter F.No.40-9/2023(DEB-II), dt.03-06-2024. ■
