Date: Wednesday, 3 November, 2021, 11:42 am IST

Dear Sir/Madam,

IIT Mandi iHub and HCI Foundation (iHub) has launched Anubhav Fellowship for undergraduate students across India. The fellowship is intended to encourage students to work in HCI and BCI domains. As part of this, students are encouraged to submit their ideas for selection for the fellowship. The fellowship is targeted at undergraduate students to encourage them to work in the fields of Human Computer Interaction, Brain Computer Interface, Multimedia Forensics, AR/VR, Multisensory Systems, etc.

iHub would be happy to have students from your institute/college apply for this fellowship. We request you to kindly post the advertisement of Anubhav Fellowship on your notice boards, websites and share it with students via email and encourage your students to submit their ideas for fellowship.

The details of the fellowship are also available at [https://iitmandi.ac.in/administration/files/Advt\\_anubhav\\_fellowship.pdf](https://iitmandi.ac.in/administration/files/Advt_anubhav_fellowship.pdf)

Students can submit their ideas at <https://forms.gle/sX3wnSvqkhhBZVaC7> before November 10, 2021.

Thanks.

With Best Regards

Avinash PUNEKAR
