CLARIFICATION REGARDING ITEM NO. 3.4.5

As per the information furnished vide Item No. 3.4.5 for remarks by the University, I am to bring the following few lines for your kind consideration.

We have stated that CARE journals of UGC will be considered for 3.4.5. Whereas, the concept of UGC CARE list came into effect from 14th June, 2019 vide UGC Public Notice F.No.1-1/2018 (Journal/CARE) dated 16th September, 2019.

The Assessment Period of NAAC for this University is 2016-2021. This reveals that UGC CARE list concept did not exist during the assessment period of 2016-19 of this university.

In this connection, the question of 3.4.5 may be considered Mutatis Mutandis by which all peer-reviewed journals that were stated by this university may kindly be considered as Final Research Papers.

Further all the information furnished under 3.4.5 are published through Full time Faculty of this University.
