Important updates regarding the Vidyavaridhi (Ph.D.) Entrance Examination and admission process:

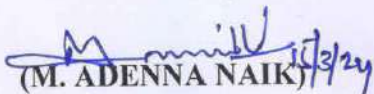

1. NET/JRF/M.Phil candidates exemption: Candidates who hold NET (National Eligibility Test) or JRF (Junior Research Fellowship) qualification, or SLET of any State or have completed their M.Phil are exempted from writing the Ph.D. Entrance Examination.

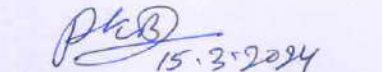

Candidates falling under this category are welcome to write the entrance examination if they choose to do so. This option is provided to ensure fairness and equal opportunities for all candidates, regardless of their prior qualifications.

2. Requirement of PG Marks Memo/Latest EWS Certificate/OBC Certificate: It is mandatory for candidates who have not submitted their Postgraduate (PG) Marks Memos of all semester exams, to submit these documents on or before 20th March 2024; and the latest Economically Weaker Sections (EWS) certificate, or Other Backward Classes (OBC) certificate to submit these documents at the time of admission. Failure to provide these documents will result in the candidate's application not being considered for admission. Ensuring the submission of these documents is essential to complete the admission process and fulfill the necessary criteria.

3. Publication of 2nd & final list of eligible/exempted candidates : As the last date for receipt of the Hard-copy of the Original application form along with the supporting documents and the Original Demand Draft in the office of the Examination Section is 20.03.2024 before 5.00 pm, the second and final list of eligible/exempted candidates will be published on 20th March 2024.

We encourage all candidates to adhere to these guidelines to ensure a smooth and efficient admission process. If you have any queries or require further clarification, please feel free to contact through email id/wattsap nos. - ceexams@nsktu.org ; 9490690830 or vvet2023@nsktu.org ; 9440626555.
